Plant Mechanic – QLD

Description

Full time

\$45 – \$55 per hour

About us

Yello Equipment is the Sany Earthmoving Dealer for NSW and QLD. Our business growth over the past few years has seen us exceed our own expectations and with continued growth, we need good solid reliable people to grow with us. Our Team's commitment to great customer service and the backing of a great product will only see us grow into the future.

Responsibilities

The role will suit an allrounder looking to implement their Heavy Plant and equipment trade skills—anything from Pre-delivery inspections, Scheduled on-site maintenance and breakdowns, parts and attachment sales and customer service.

Qualifications

Trade qualified in heavy plant and or demonstrated skills and knowledge of complex hydraulic systems an advantage. Some basic electrical knowledge would also be an advantage. Most importantly a focus on customer satisfaction.

Job Benefits

A fully maintained company vehicle. Phone, laptop and the benefit of working with a flexible team of professionals.

Our commitment to you will be a great work environment coupled with the best pay structure based on experience and skills.
